Soup Soiree

Benefitting the Lawton Food Bank

Dear Chef,
I hope this message finds you well! I'm reaching out to invite you to participate as a featured chef at our upcoming Soup Soirée on February 26, 2026.

The Soup Soirée is a community tasting event benefiting the Lawton Food Bank, bringing together local chefs, supporters, and community members to celebrate culinary talent while raising awareness for neighbors facing food insecurity. We would be honored if you would prepare 50 single-serving desserts for guests to enjoy during the event.

In appreciation of your participation, we would proudly:

- Highlight you and your business on Lawton Food Bank social media before and after the event
- Feature your name and restaurant on event signage
- Acknowledge you during the event as a participating chef

This is a wonderful opportunity to showcase your culinary talents, connect with the community, and support a meaningful cause alongside other local chefs. If you're interested or would like additional details, I would be happy to visit with you at your convenience. Thank you for considering this invitation. We appreciate the creativity and generosity of our local culinary community.

In Partnership,
Alex Minter McCann
Executive Director
